July 2020

This is a unit of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.

### General Introduction

Hunting, fishing, wildlife observation and photography, environmental education, and interpretation are priority public uses of the National Wildlife Refuge System. These wildlife-dependent uses are carefully managed on Bald Knob National Wildlife Refuge to ensure they are compatible with refuge purposes and provide safe, high-quality, low-impact, recreational opportunities. Users of the Refuge must obey all signs pertaining to visitation, access, and public use regulations. All public uses, including hunting and fishing, are conducted in accordance with state and federal regulations as supplemented by the following special refuge regulations.

### Access and Vehicle Use

\* The Refuge is closed to ALL other entry and public use Nov. 14-15, 2020, during the Quota Gun Deer Hunt. Only Quota Gun Deer Hunt permit holders are allowed to enter or use the Refuge during this hunt and only for the purpose of deer hunting and the incidental take of beaver, muskrat, nutria, armadillo, coyote, and feral hogs.

### Waterfowl sanctuaries, indicated on the refuge map, are closed to ALL entry and public use, including hunting and fishing, from Nov. 15 through Feb. 28.

Conventional vehicles may be used only on the Farm Unit and ONLY from Mar. 1-Nov. 14. Conventional vehicles must meet all applicable federal and state requirements regulating the use of licensed motor vehicles. Vehicles equipped with oversize tractor lug type tires are prohibited. Use of conventional vehicles is prohibited on the Mingo Creek Unit.

Speed limit for motor vehicles (including ATVs, UTVs, etc.) is 25 mph unless otherwise posted.

Recreational use of ATVs is not allowed. ATVs may ONLY be used Sep. 1 to Mar. 31 and ONLY to provide access for hunting. ATVs may be used after Mar. 31 ONLY for goose hunting during the State Conservation Order.

An ATV is defined as a vehicle with a maximum tire pressure of 15 psi, maximum dry weight of 1550 lbs., and with tires having a maximum centerline lug depth of one inch. Only those vehicles originally designed by their manufacturer to be ATVs are allowed; mini-trucks or other modified off-road vehicles are prohibited.

Conventional vehicles and ATVs are not allowed in fields and must stay on maintained roads, levee tops, or established parking areas at all times.

A portion of the waterfowl hunt area (Core Waterfowl Area) will be closed from Nov. 15-Feb. 28 to ALL public entry and use **after** 1 pm to reduce waterfowl disturbance and improve hunt quality (see map). During this period, Coal Chute Road, Granary West Road parking area and Frackin Road will remain open to vehicular access. NOTE: This closure will NOT apply to all-day hunting for geese during the State Conservation Order.

Roads may be closed any time conditions or other administrative needs warrant. A locked gate or other barrier, road closed sign, or no vehicle sign means the road is closed to ALL vehicle travel, but not to foot travel unless signed otherwise.

Parking of vehicles on roadsides that prevents the passage of extra-wide farm equipment is prohibited. Vehicles are subject to be towed at owner's expense.

Personal watercraft (jet-ski, etc), hover craft, and airboats are prohibited.

Boats may not be left overnight on the Refuge.

### 2020-2021 General Hunting Permit — Bald Knob NWR

This permit must be signed to be valid. It must be carried by the hunter at all times while on the refuge and in possession of hunting gear. An electronic signed copy of the permit may also be produced on a person's own cellular phone or other type of portable electronic device that clearly displays and accurately reproduces all of the information. This permit expires 06/30/2021.

NOTE: Quota Permit also required for Quota Gun Deer Hunt. I have read and understand the refuge hunting regulations and agree to obey them and agree to allow USFWS and AGFC officers to inspect or search all my equipment used during my hunt.

### General Refuge Regulations

Public use of the Refuge is permitted throughout the year. Permitted activities are hunting, fishing, wildlife observation, photography, environmental education, and interpretation.

Refuge open to daylight use only from 4 am to one hour after legal sunset. We limit use of the refuge after legal sunset to raccoon and opossum hunting only. Hunters trailing or retrieving deer after hours should call the Refuge Office at 501/724 2458 and leave a message stating their name, phone number and the general area in which they are searching for or retrieving deer.

### Sport Fishing Regulations

Fishing permitted year-round in accordance with state and refuge regulations. Crawfish may be collected for personal use only. The owner's Arkansas Game and Fish Commission license customer ID number must be permanently affixed to each trap.

### General Hunting Regulations

A Refuge permit is required for all hunting activities.

Permits are non-transferable and must be signed by the hunter and carried at all times while on the refuge in possession of hunting gear. An electronic signed copy of the permit may also be produced on a person's own cellular phone or other type of portable electronic device that clearly displays and accurately reproduces all of the information. A permit is located on the front of this brochure or can be downloaded and printed from the refuge website at <http://www.fws.gov/baldknob>.

An additional permit is required for the Quota Gun Deer Hunt.

Hunter Orange or Chartreuse must be worn in accordance with Arkansas Game & Fish Commission regulations during Quota Gun and Muzzleloader Deer hunts.

Portable, pop-up blinds must have 144 square inches of blaze orange or chartreuse visible from all sides of the blind during firearm big-game seasons on the Refuge.

Bag limits for all species, except deer, are the same as state limits.

Dog training is allowed Sep. 1-Apr. 1.

### Mobility-impaired hunters

Mobility-impaired hunters may apply for a refuge Special Use Permit allowing the specialized use of ATVs on existing roads and trails. For more information, please call the Refuge at 501/724 2458.

### Prohibited hunting activities include:

- The use of dogs for deer hunting is prohibited.
- We prohibit leaving any tree stand, ground blind, or game camera on the refuge without the owner's Arkansas Game and Fish Commission license customer ID number clearly written in a conspicuous location.
- Driving or screwing any metal object into a tree or hunting from a tree in which a metal object has been driven or screwed to support a hunter.
- Building or hunting from permanent blinds or stands.
- Hunting from a vehicle or use of a vehicle as a deer stand.
- Possession or distribution of bait or hunting over bait, salt, grain, or other feed that could serve as a lure or attraction for wildlife.
- Hunting from mowed or maintained roads or levees, except for waterfowl hunting.
- Possession or use of lead shot or buckshot while hunting.
- Possession or use of alcoholic beverages while hunting.
- Use of natural scents or lures that contain natural deer and elk urine or other biofluids.

### Hunters Under the Age of 16

Anyone born after 1968 must complete a hunter education course and carry a valid hunter education card to hunt in Arkansas. Youth under 16 may hunt without hunter education as long as they are under the direct supervision of an adult who is 21 years old and has a valid hunting license. Home state hunter education cards will be honored.

### Specific Hunting Regulations

\*NOTE: The Refuge is closed to ALL entry and public use Nov. 14-15, 2020 during the Quota Gun Deer Hunt.
